## **Sponsorship Request**

**On Friday 17 June, the Rotary Club of Blackpool Sunrise is holding our annual Longest Day Walk, from Lytham Windmill to our normal meeting venue, the Carousel Hotel on Blackpool's Promenade, starting at 05.00am so as to allow the slower walkers to finish by our normal meeting start time of 07.30. Your editor intends to run the whole 7 miles, and will welcome sponsorship in support of our chosen charities, including Barnardo's, the Aspire Project in Blackpool, which raises aspirations in the underprivileged, and Village Aid in Tanzania, where our Club has joined the international REMIT – Rotary Elimination of Malaria in Tanzania – and sent mosquito nets, as well as supporting other actions. Please limit your sponsorship to no more than £5, send cheques to me at "The TAS Partnership Limited, Guildhall House, 59-61 Guildhall Street, Preston PR1 3NU, and if you pay any income tax at all, please indicate on the back of the cheque that you are happy for your sponsorship to be gift aided. Thanks for your support.**

## **Factory Visits – 16 July and 10 September**

You will no doubt recall that as part of the fund raising efforts for the statue the factory offered a small number of special tours during 2011, the first of which was successfully held in March, and was reported in an edition of Miscellany. The one in May was cancelled due to lack of interest, but bookings are already brisk, apparently for these two Saturdays later in the year, and if, like me, you have never been and would like to go, then make your booking with

Our annual Teddy Bears Picnic will once again be held in Macclesfield Forest (the nearest we can get to the Woods) The picnic site is on a hillside overlooking the local beauty spot of Tegg's Nose, with views over the surrounding countryside. As well as Teddy Bears and our usual Morgans we have a fantastic gathering of Classic Cars including a few really special ones. Whether you enjoy looking at classic cars or simply just having a picnic in a fabulous location, this is an event you simply cannot miss.

Macclesfield, following the signs for Langley and then Macclesfield Forest.

You can get to **Topclose Farm** (SK11-0ND) from the East (Buxton Area) by passing through the Macclesfield Forest from the A537. This is the most direct route when travelling from the 'Bull-In-Thorn'. It is however the most difficult as the last few miles are along narrow unmarked forest tracks.

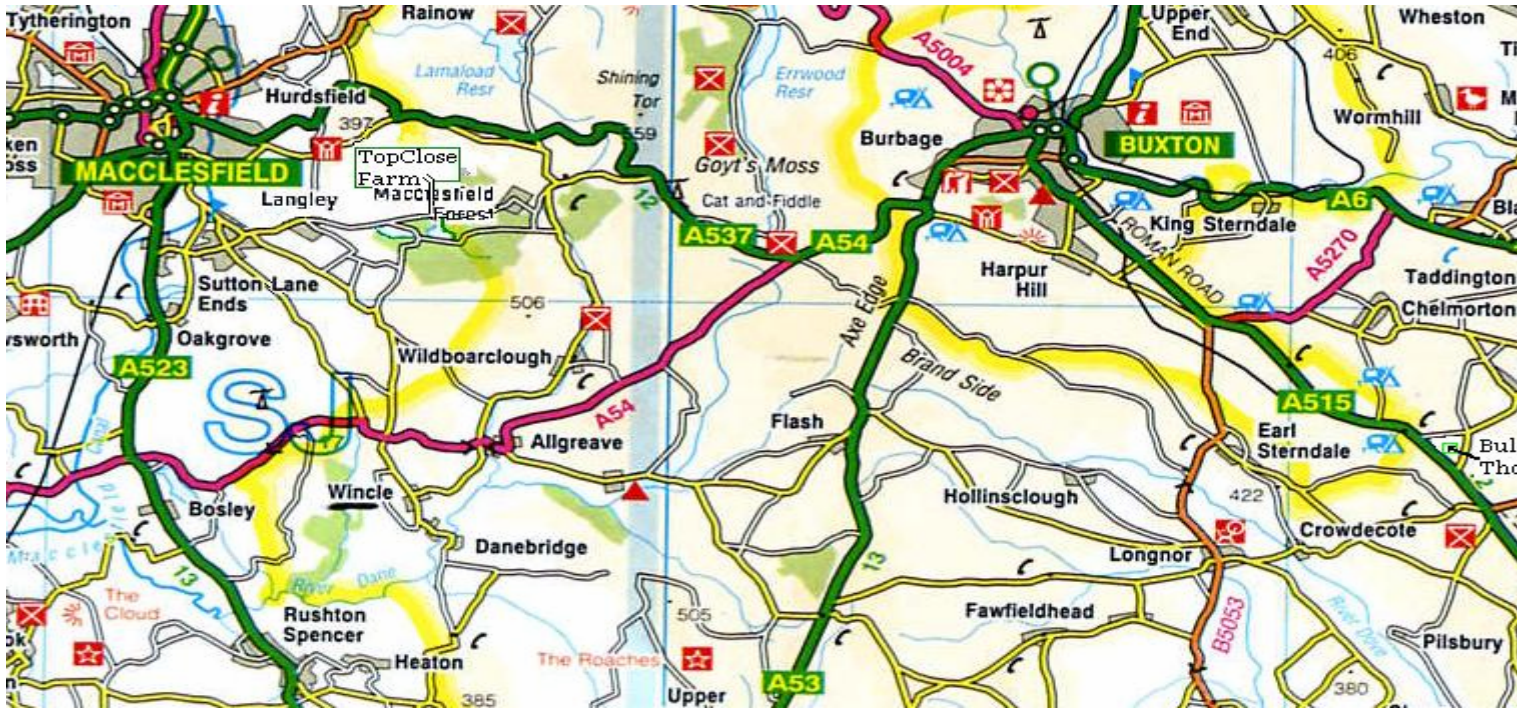

**Recommended Route:** From Cross Street (A523) Macclesfield, into Byron's Lane (SP Langley 2 mile). Pass under narrow low Bridge.

Left into Jarman at 40 Sign (SP Langley). Left Langley Road at Church House PH. Past Specialised Auto Services on your right.

Bear Left into Main Road at Langley Methodist Church. Continue Clarke Lane passing High Low Farm on your left.

Turn left at the Leathers Smithy PH (SP Unsuitable for motor vehicles). Continue uphill until you reach start of Macclesfield Forest.

Turn left off track over narrow cattle grid between two white posts (will have signs displayed on the day of event) and along narrow farm driveway towards farmhouse. (Not seen from lane)

### WARNING FOR THOSE WITH SAT-NAV

Some maps including Google show both the farm and the Post Code in Forrest Road. This is wrong. Using that map you can find the correct venue by dropping down to the left from Forrest Road continuing along the white/green border until the line reaches the continuation of Clarke Lane, the correct location. MOG 2012 will take place at Bruntingthorpe Proving Ground on June 16th, 2012. FoxMog will be hosts, and a good number of other centres and individual helpers will join the process, to put on particular events, and help with the administration.

The web site for MOG 2012 is to be found at <http://mog2012.co.uk/> and although some of the event descriptions are not complete, and obviously there are no booking forms yet, it will be good to give the site a thorough look over to see the range of events proposed, and the way that centres can make what is a single day for all the events into a potentially very pleasant longer holiday, by adding trips and visits to the day before and the day after, and arranging all members from a given centre to book into the same hotel.

Now a message to all centre secretaries. Please publicise the web site to all your members, and try to form a view as to roughly how many of your centre members will be likely to want to come to Bruntingthorpe on June 16th. If you possibly can, please send me an email by the first week in May. We need this guestimate to complete the budget: the more that are likely to come, the lower will be the cost for the day. At present we are hopeful that it will not exceed £20 + VAT, and it may well be lower than this. For those that live within a two hour drive of Southern Leicestershire this will be a very memorable day out, at relatively little cost, bearing in mind that all the events will provide a continuous spectator experience for the whole day.

### And afterwards

Being on the edge of the Peak District National Park the venue is close to such attractions as Chatsworth House, Haddon Hall, Hardwick Hall, Bakewell and Eyam. Peak Rail is not far away, as too are the Peak Caverns and Blue John mines at Castleton.

You are invited to visit any of these and more besides after breakfast so giving you the opportunity to enjoy many of the attractions of the area that you might not have had time for during MOG 2010 at Buxton.

It is also an ideal area for walking so if you feel the need to get rid of those few extra pounds after breakfast then bring you hiking boots or a stout pair of shoes.

## Ladybower Reservoir

The event is being organised by Brian and Jean Lee and we should be pleased if you would contact us to let us know of your intention to join us for breakfast so that we can advise the venue of numbers and thus ensure that there is adequate staffing to meet our requirements.

Brian and Jean Lee can be contacted by telephone on 01246 237778 or email at [leebjm@cfd.fsnet.co.uk](mailto:leebjm@cfd.fsnet.co.uk)

Below 3 pages relating to this year's **Cholmondley Pageant Of Power** There is a general flyer, a sheet giving discount codes to be used to be able to get "Loyalty Club Discount Tickets" and a list of ticket prices (showing the large discount we are getting).

Colin Hill - TorMog is coordinating the Club Display and it is only through this that we in Norcemog can get the discounts quoted. However, as Colin does not know all our members he has asked Geoff Mizon to collect details of any members who buy tickets and he will pass this on to Colin so he can arrange the display area to include us. Initially all he needs is your name and the days you are attending. Don't delay in booking if you wish to attend because as bookings increase the discount codes may be withdrawn.

## Cholmondeley Pageant of Power

### A Celebration of Power and Speed 15<sup>th</sup> 16<sup>th</sup> and 17<sup>th</sup> July 2011

Once again taking place in the grounds of Cholmondeley Castle, the Pageant of Power combines speed, nerve and flair with exceptional design and engineering. Since 2007 it has been the ambition of the Pageant of Power to showcase the best of historic and contemporary automotive power, whether on Land, Sea or in the Air.

Central to the action is the 3 mile circuit within the Park grounds of Cholmondeley Castle where over 150 cars and bikes compete, spanning seven decades of motorsports. On the adjoining Deer Park Mere, the Pageant hosts the largest gathering of inshore racing power boats in the UK, World Champion Jet Ski Demonstrations and Rib rides are also on offer. In the air the largest helicopter event in Europe combines with dramatic and gravity defying aerobatic displays.

The Military might on display this year gives you the opportunity to watch combat power in action, look inside battle winning equipment and train with serving soldiers during the days and listen to magnificent marching bands at the Tattoo on Saturday night. All this combined with the fantastic shopping, activities and refreshments make this one of the motoring events of the year.

Join the High Peak Centre at this year's event and display your Morgan Sports Car on our static display. Places are offered to all MSCC Members and allocated on a first come first served basis. Last year we had a fabulous display of Morgans with many other centres joining us for the weekend and enjoying all that this event has to offer the motoring enthusiast. Please note, that the cost involved this year is different again from last year. There will be no free passes this year. All those wishing to attend, both driver and passenger will have to purchase tickets from the organisers before the event. Tickets are available at greatly reduced rates for those displaying on Car Club Stands, please see attached sheet for codes required to obtain these discounted tickets on the internet.

If you are interested in being part of this year's festival please obtain your tickets directly from the CPOP web site at [www.cpop.co.uk](http://www.cpop.co.uk) a.s.a.p. as the cost involved increases nearer the date of the event. Time is running out so if you intend joining us please DO IT NOW.

If you have any difficulty please do not hesitate to contact either myself

Colin Hill on 01457 764804 [chairman@tormog.co.uk](mailto:chairman@tormog.co.uk) or

Jim Richardson on 01625 528641 [centresecretary@tormog.co.uk](mailto:centresecretary@tormog.co.uk)

Finally, and most importantly, once you have obtained your tickets please ensure that you let me know which day or days you are attending together with details of your Morgan. I need to know well in advance so that a suitably sized plot can be booked for our display.
