What a difference a day makes!

This year Barbara and I visited the Classic Car Show on the Friday when usually we have been on the Sunday. However, we found the difference so much better, no queueing to get in the car parks, free movement around the halls, no crushing when on a stall and also time to chat with other MSCC members on the Mog stand. Also this year The Morgan Motor Company had their own stand in the Top Gear Hall showing all the latest cars but not the 75th Anniversary Edition of the 4/4. This celebration was left to Michael Palmer on the Classic Mog stand who was selling his latest book "Morgan 4/4 The First 75 Years" which is specifically about the 4/4 rather than Morgans in general and brings the record of the past 75 years right up to date. I purchased a copy and am looking forward to an interesting read. I think it is a good buy and it looks well researched and presented and would suggest that all 4/4 owners put a copy down on their Christmas wish list. Roy Wilkinson
