NORTH WEST AND CHESHIRE

March 2012

Geoff was pleased with the response to his plea for Noggin organisers, and the diary going forward looks good. There is a good deal of stuff in this edition, happily, and for those future editions with less, I will be looking to include a profile of one of you so that we can all begin to appreciate the breadth and variety of the membership.

FEBRUARY MOG LUNCH

The February meeting was kindly arranged by Eric & Joan at the Crimble Hotel, Crimble Lane, Bamford. The Hotel is set in lovely grounds, together with its own peacocks and picturesque views of the surrounding area.

It was a lovely sunny morning but as I had been fighting off a chest infection we decided to go in the tin top and take Tommy -Tom -Tom". Unfortunately he was experiencing an off day and he decided we would appreciate a trip along a ,badly pot-holed narrow tracked lane leading to

a mill yard and a dead end into someones driveway. Fortunately Ann has had previous experience with 9 point turns so we re-traced our steps and when we caught up with the dog walkers we had just passed,(by this time Tommy had been put to bed) we were told that the lane once went through to the B6222 but was now only a bridleway.

The dog walkers took a long look at us and decided that it was better to send us the long way round as we only had to turn left at every set of traffic lights and when we reached the Harvester pub turn left into Crimble lane and the hotel was on the right.

Despite all the confusion, we were still first to arrive, shortly followed by Roy and Barbara in their tin top, Geoff and Gill, Andrew and Joan, Martin and Vivian, and Eric and Joan all came in their Morgans and they looked great parked together on the car park.(roll on Spring!)

It was particularly nice to have Guy and Renee join us both looking great, I seem to have missed the meetings they have attended recently so it was nice to catch up.

So to sum up, an excellent venue with very good food, excellent company and no shortage of conversation from crocheting to dancing to Morgan steering and suspension and that was only our half of the table.

Thanks Eric and Joan I thoroughly enjoyed the day and I am sure everyone else did too.

Bryan Rawlinson.

Outstanding Actions

11.1.3 – Put details of what is available and how to obtain regalia in club Newsletter - **Isobel** .

Dinner Dance 2012

Fellmog had decided not to proceed with a Dinner Dance this year which had left us in the position of it being too late to organise our own event to be held in March.

During discussion other options were considered such as a smaller "Norcemog only" event without a dance to keep down costs. Alternatively, if we organised a big event, keep that to a "Weekend Away" with a formal dinner but no dance. It was also agreed that we should consider using the same hotel each year (possibly The Longmynd Hotel) so that people are familiar with the venue and organisation would be easier.

It was agreed that a proposal to hold a Weekend Away (with or without dance) in October 2012 should be discussed at the AGM. A volunteer to take on the organisation was needed. Suggestions of possible venues would be welcome. – **Action 12.1.1 - Geoff**

Review of Diary of Events

A very good response to the request for volunteers to take on the organisation of Noggins had been had been received. The result is a full programme of events up until October 2012.

- It was agreed that we should proceed with the Autotest/Concours event in June. Bryan agreed to investigate holding it at the Leyland Motor Museum. Myrescough would be used otherwise.

- **Action 12.1.2 – Bryan**

- A discussion regarding the Christmas Party concluded that we should continue with the event but that should consider a different venue, possible south of Preston if any member knows a suitable venue and is prepared to help organise the event. This will be raised at the AGM – **Action 12.1.3 Geoff**

Adrian reported that he planning to do a full update of the website in the next couple of weeks.

- **Action 12.1.4 – Adrian**

Treasurers Report

Bryan reported that there had been no unusual expenditure and the balance at the bank remained healthy and stable. We had claimed the £20 cost of the Concours exemption permit back from the MSCC. Current paid up membership stands at 57.

Newsletter

Adrian reported that he planned to include "Members profiles" as a feature in future Newsletters. He hoped that these would prove interesting and informative to members by giving more information about each other.

Awards

The Scriptwriters award would be presented to XXXXXXXX , the Layshaft to Roy Wikinson (for his efforts driving his car both blind and deaf at the Autotest).

Norcemog Constitution

The constitution had been amended to comply with MSCC requirements that people who joined their local Centres should be called "Members" and not "Affiliate members" The revised version would need to be approved at the AGM.

AUTO-JUMBLE

If sufficient interest, we are hoping to hold a small Auto-Jumble on the Sunday.

Anyone attending the event that may have some Morgan spares, parts, books, clothing or miscellaneous paraphernalia connected with "Morgans," are invited to bring them along on the Sunday morning for entry into the Auto-Jumble. Someone will be on hand to enter these articles.

The vendor to price up what they require for the item and NORMOG will keep 10% of the selling price to offset the cost of MOTT.

Remember to call back at the tent to collect any unsold items or your proceeds from the sale before returning home.

Please indicate somewhere on the entry form that you may have some items to bring along, but do not list at this stage. We are just testing out the waters to see if this would be popular.

TATTON PARK CLASSIC AND PERFORMANCE SPECTACULAR **June 3rd 2012**

We have been invited to provide a display of Morgan Cars for the above event. I propose that as usual we plan to attend the show on the Sunday and have requested 16 free passes. If you would like to attend and take advantage of a free pass give me a ring to reserve your place and then please complete the form below and send together with a stamped addressed envelope to me at :

Martin Cocks, 34 Hazelmere Road, Fulwood, Preston PR2 9UL

This event attracts a vast array of classic/performance cars as well as our Morgans and is something not to be missed. There is also perhaps the largest autojumble as well as many trade stands to tempt you, and in addition you can visit the House and Gardens (National Trust) and spend the afternoon with some peace and quiet if that is your choice. **The latest date for sending me the completed form is 27th March 2012**

CHOLMONDELEY PAGEANT OF POWER

15th 16th 17th JUNE 2012

The High Peak Centre (TORMOG) has once again secured an invite to the world famous Cholmondeley Pageant of Power. This event although smaller, is very similar to the Goodwood Festival of Speed.

The 2012 Pageant of Power will be held on June 15th -17th, a whole month earlier than the event's normal slot in July. Analysis of the weather patterns at this location, over the last 10 years showed July is a third wetter than June and so the decision was made to bring the fifth Pageant of Power forward a month to June.

All Centres are welcome to join TORMOG at this celebration of power and speed held in the south Cheshire countryside.

The event takes place at Cholmondeley Castle, which is situated on the A49 between Warrington to Shrewsbury. (postcode for Sat Nav is SY14 8AH) There are excellent links to the motorway network and road closures in operation.

We have a gazebo type shelter which will offer protection in the hopefully unlikely event of inclement weather.

You can display your Morgan on our club pitch situated directly alongside the track or simply attend the event in any vehicle and park in the main car park. Whichever you choose, we have a special club rate which could save you 60% on the normal ticket price. You must be however book before the 31st March 2012.

If you wish to join us at this year's event you must obtain tickets directly from the organisers at www.cpop.co.uk

Do so as soon as possible, as the discount available reduces nearer the date of the event.

The Code required to obtain discounted tickets is :- (CC3DT) for 3 days incl Concert or (CCDT) for 1 day.

If you intend displaying your Morgan it is **most important** that you let me have your **full name and address**, and **car details**, immediately after you have placed your order for tickets. These details are required to determine vehicle numbers and to obtain, on your behalf sufficient Morgan Club Passes. Without these you cannot gain entry into the Morgan Club Area. Your Event Entry Tickets will be sent to you direct from CPOP. Your Morgan Club Pass will be sent to you by the High Peak Centre. We also need to know which **day** or **days you are attending**.

Book Sat and Sun and get Fri practice day and Concert for free.

If you have any questions or difficulty ordering your tickets on the internet or by phone, please contact me,

Colin Hill on 01457 764804 chairman@tormog.co.uk or our

Centre Secretary, Jim Richardson on 01625 528641 centresecretary@tormog.co.uk
