NORTH WEST AND CHESHIRE

February 2015

Welcome to this edition, and thanks to the many of you who have not interrupted my slumbers by sending me things that I might have to include in the Newsletter. Many thanks to Andrew, though, for his contribution to this edition, with the expanded notices for the February and March noggins and the AGM. Please respond to his hard work by letting us know that you are coming to one or more of them.

Sunday 8th March 2015
Lowther Castle – Penrith, CA10 2HH

CONTACT – ADRIAN & ALICIA GRANT TEL 01253 727336
OR ADRIAN.GRANT@TASPARTNERSHIP.COM.

Lowther Castle is approx 9 miles from Junction 39 of M6

We are booked to arrive at 11.30, in time for a coffee before the tour which starts at 12.00, followed by lunch at 14.00.

As part of the restoration of the 130 acre gardens, the Trust arranged the volunteer planting of some 100,000 daffodils in 2012, and with luck, these will be in bloom when we go....

<http://www.lowther.co.uk/index.php/castle-a-gardens> or

info@lowthercastle.org

NB – It is essential you let Adrian / Alicia know you intend to go.
If numbers are not sufficient the event may be cancelled

At the top of the park stand the imposing remains of Lowther Castle and its hidden Gardens. The 130 acres of gardens and grounds were opened to visitors once in 1938 but after being used to test a secret tank weapon during the Second World War, the place was dismantled and abandoned. Now the castle, its massive stables, gardens and over 140 acres of parkland are once again being brought to life.

Work began in April 2011 after the castle and gardens were leased to the independent charity, the Lowther Castle & Gardens Trust on a project supported by the Northwest Regional Development Agency, the European Regional Development fund and the Lowther Estate Trust. The planned works will stabilise the castle, reveal the shapes and structures of the 17th century gardens and the overlying Edwardian gardens and create a high-quality visitor centre, education facilities and the Lowther Gallery and are currently well underway.

The 70 years of deterioration in the stable courtyard has been reversed and now includes a café, loos and a meeting room. There is also a gift shop which is now open.

The gardens are now open to the public and are constantly changing as the gardeners reveal much of the lost history and continue to reclaim them. There is also plenty of wildlife which is actively being encouraged, ensuring the creatures that were there before the work

started don't move out and newcomers have now started to move in - from red squirrels, badgers and deer to many birds (including a heronry) and the rare Crested Newts.

11 Mar 2015 Committee Meeting at 18.30 The TAS Partnership, Preston if there is anything that you want to have discussed, please e mail to Andrew Threlkeld, and also if you want to nominate yourself for the Committee, or other position of power!

28-29 March 2015 Restoration Show The MSCC will have a small display at the Restoration & Classic car show at the NEC - Our stand will be in Hall 5 near the restaurant & loos - very handy!.

This is the first time we have exhibited there - so please bear with us!

There are special offer club discount tickets available at £10-50 for a single ticket quoting RS14 EC or £26-50 for a family ticket quoting RS14CF.details on WWW.NECRESTORATIONSHOW.COM or ticket hotline 08448586758.

I went as a visitor last year and found it a very interesting event with lots of practical things going on - much more a show for the hands on enthusiast (plenty of rare bargains in the Trade Village) rather than the "gaze in awe at the unobtainable" type of show.

Norcemog AGM & Lunch
The Royal Oak, Garstang, PR3 1ZA

Contact - Bryan Rawlinson Tel 01995 604716.

In the centre of the glorious little Lancashire town of Garstang is where you will find the historic 17th century coaching inn, the Royal Oak Hotel and, daily, they supply the weary traveller with a wide range of drinks including real ales dispensed from the bar and an imaginative menu of quality English fare sourced locally and prepared on the premises.

The Norcemog AGM returns to the North of our area at The Royal Oak, Garstang. Arrive about midday and the 'relatively informal' meeting takes place after lunch. Please see Agenda below which includes the Election of Officers which we have to complete each year.

We will always welcome members' contributions either through comments or even organizing a Noggin which we attempt to plan 12 months in advance.

New members on the committee are also much appreciated to ensure we cater for our members needs and wishes. There is a proposal form below should you or a fellow member wish to volunteer to join the committee which meets twice a year.

AGM AGENDA NOTES

ELECTION OF OFFICERS

In order to keep Norcemog attractive to and enjoyable by, its members we need to keep a steady flow of new ideas for our events. This can be assisted greatly by a regular turnover of committee members. Several of the current committee have been officers for approaching 10 years one or two even longer.

Our constitution requires that all the Officers of Norcemog need to be elected each year, we therefore require volunteers to fill ALL the various positions.

Please consider volunteering to join the committee in any of the positions and help by bringing some new blood to the organisation. If you are prepared to help (or know another member who is), please use the form below to make a proposal. (be sure to confirm the person is willing to stand if you are proposing another member).

Bank Holiday Monday 4th May 2015
Gawsworth Hall Classic Car Show
Church Lane, Gawsworth, Cheshire, SK11 9RN

CONTACT - ROY & BARBARA WILKINSON TEL 01772 324134 OR 07754 565955

An annual event since 1998, the show takes place from 10.30am to 4.30pm in the walled Elizabethan pleasure gardens.

A highlight of the Hall season, one of the North West's most popular rallies, attracting an eclectic mix of classic cars and motorcycles from the turn of the last century to the present day.

With the first recorded rally taking place in 1902, and held by the Manchester automobile club, Gawsworth has long been linked with the motor vehicle. In the 1940s and 1950s the Hall was also home to Denis Ferranti's wonderful collection, including a T59 Bugatti that now takes pride of place in Ralph Lauren's garage.

In recent years, highlights include wonderful eight-litre vintage Bentleys, huge posses of American muscle cars, and dozens of period scooters. All are welcome to come and go as they wish, ensuring a relaxing day for both owners and visitors, with an informal concours and autojumble also taking place. We hope you can come and join us for what's always a fantastic event, with a garden party atmosphere.
