NORTH WEST AND CHESHIRE

September 2017

Welcome to this edition. Thanks to David Haynes and Andrew Threlkeld for the content this month. I will certainly be happy to receive anything that you care to send, make any necessary corrections to grammar and spelling and then publish it! Please get writing. Starting in the October Newsletter - the serialisation of a life with Morgans, and a bit about life before the first Morgan as well.....

NORCEMOG REGALIA – Isobel Moore 01253 738201

The Briers Hall Hotel 13th August

What a lovely day it was, maybe that is why so many Centre members turned out for Peter & Isobel's lunch at The Briers Hall Hotel near Ormskirk. I didn't count the Morgans but there must have been more than a dozen, (17!) nor did I take any photographs as I wasn't asked to write this report until the day after the event! (Photos courtesy of Amanda Greenwood).

Private parking and a private dining room, what organisation. The hotel catered very well as there was more diners than they had been forewarned of as some people just turned up, naughty! Una & I have been members of the Centre for over 30yrs and there were faces old and new to put names to. On our table there was Karen and Maurice who we had never met before, Morgan owners for 8 years. Others expressed their pleasant surprise at just how many members had turned out, much chatting over an excellent lunch.

Members were reminded of forthcoming events, namely the September meeting which will be the Gymkhana on the 3rd September. Never taken part in one? No skill required, totally safe and all you need is a good sense of humour. Best described as the most fun you can have in a Morgan with your clothes on.

The Autumn Retreat weekend 27th-29th October at the Buckatree Hotel near Telford has now been advertised in Miscellany so any centre members wishing to attend need to book asap. Likewise the Christmas lunch and awards presentation this year will be on December 10th at The Barton Grange Hotel so another date for your diary.

Being such a nice day it encouraged those interested in what goes on under the bonnet to congregate in the car park and peer into engine bays and numbers were seen looking very impressed or was it envious? While others preferred the more general conversation around the outdoor seating area. An excellent venue and very well organised, thank you Peter & Isobel.

(NB. Details of all events in the Newsletter or on the webpage).
