Where should we go for the May Noggin?  
Let's go back in time to The Smoker Inn,  
Opened in 1597, it's the only pub in Britain called The Smoker,  
I bet it's been the haunt for many a game of Poker!

It was one of the early venues for a Northern Centre meet,  
And it's recently been refurbished and has nice food to eat,  
A beautiful sunny day perfect for a drive,  
The Morgan's lined up as they arrived.

We went inside for our midday lunch,  
With some lovely new members to join our bunch,  
A lovely afternoon was had by all,  
Finished off on the car park for a photoshoot call.
