NORTH WEST AND CHESHIRE

November 2020

Hi all, I hope I find you well. I have details of a virtual noggin this month for you and also a new idea from Andrew “WHYDIY” want to know more? Read on.....,

There is a room available at The Fat Lamb for the Yorkshire event, 11th to 14th May 2021. Please let me know if you are interested.

I also have a vacancy for Newsletter Editor if anyone would like to take over the role. Martin and I have sold our Morgan to buy a bigger narrowboat that we hope to spend much of our retirement on, seeing the beautiful sights of England, and Wales of course (when we’re allowed back in)!

If you have any stories to share or pictures to show, please send them through for next month’s edition, stay safe everyone.

Morgan Ownership – What have you done in yours?

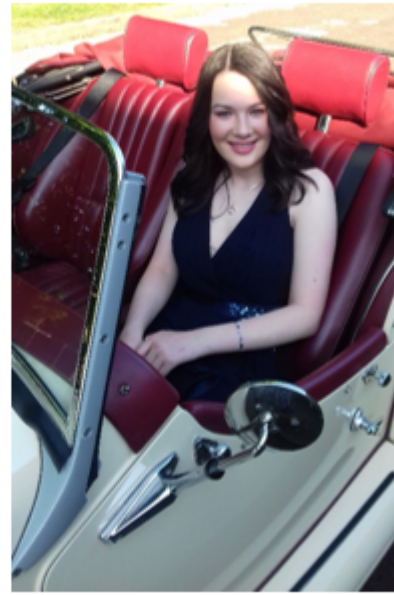

When we bought our 4/4 from Dave Randles at Lifes Motors he did warn us that we were not actually buying a car. “What?” said I, “you mean I’m going to spend my week-ends trying to get it to run properly?” “Oh no” he replied, “you are buying a hobby, make sure you use it more than you polish it!” – and we do.

Of course, There is a bucket list of things you have to do with your Morgan so here are some pictures of Ruby (our treat after 40 years of Marriage) enjoying life with us.

The Malt Tour – Plenty of places to store bottles of single malt in a Morgan!

Your Grand Daughter's Prom – Never mind the fire engine, double decker bus or helicopter – Ruby was the most photographed vehicle as we queued to drop Lucy off at her school prom. Mind you, having a beautiful Grand Daughter helps! (not that I'm biased!)

The Wedding Car – A friend's son getting married – another call to 'borrow' Ruby

After the wedding, the Happy Couples 'Thank You' notes had a picture of Ruby (and husband and wife!) on the front

The Golf Buggy – An outing to Market Drayton Golf Club on a beautiful day, it would be a shame not to take Ruby – No room for Joan though, the sacrifices we must make!

I know! A beautiful day and I'm still taking the brolly! – The British eh?

The trolley sits on the luggage rack better with the wheels on the inside, I'll know next time.

Morgans Abroad – well, Republic of Ireland anyway!

Norcemog's trip to The Gordon Bennett Run 2017 – organised by Scenic and Continental Car Tours –
A great laugh and endeared us even more to The Irish way of life – so relaxed.

So Ladies and Gentlemen – what have you done in yours? – All contributions to The Newsletter welcome.
