If you've never tried a Gymkhana in a car join the club! It is a non-damaging, safe environment where your driving skills are demonstrated through a series of tests designed to be challenging and GOOD FUN! It is not a race and you and your car will be no worse off for the experience.

This venue has grass and hard standing so whatever the weather we will be able to set some tests and enjoy the day. Some tests may need a passenger however there will be plenty of volunteers to assist if necessary.

Even if you don't fancy driving you can spectate or marshal (full instruction given) on the day however please let Bryan & Linda know.

There is also the attraction of the Animal World. Further details can be found here - <http://www.farmerparrs.com/>

Don't forget to book your place with Bryan & Linda Fearn on [01253 891539](tel:01253891539) or email - bryanfearn@hotmail.co.uk
